Conference Pride Jim Gumm 2017-08-17 Conference Pride by Jim Gumm Growing up in Tennessee, Jim Gumm was surrounded by fans of Southeastern Conference college football teams. When Jim was younger he was a huge baseball fan and loved the Cincinnati Reds. He even worked on the grounds crew for the Reds in 1979. In the early 1980s, his passion shifted to college football and he is now a diehard fan of the sport. Conference Pride: The Ultimate Book about SEC Football from 1933-2016 is a result of his passion. This book takes actual, on-the-field, results of Southeastern Conference football and shares them in a clear and concise guide. No opinions and no interpretations – this book reports the facts. With details from individual games and decade by decade trends, Conference Pride is an invaluable resource for any SEC football fan. From Alabama to Vanderbilt, from 1933 to 2016, from conference wins, Associated Press rankings, and head coaches, Conference Pride has all the facts to help you support your favorite SEC team.

Wealth Creation in the World's Largest Mergers and Acquisitions

B. Rajesh Kumar 2018-11-29 This book

highlights research-based case studies in order to analyze the wealth created in the world's largest mergers and acquisitions (M&A). This book encourages cross fertilization in theory building and applied research by examining the links between M&A and wealth creation. Each chapter covers a specific case and offers a focused clinical examination of the entire lifecycle of M&A for each mega deal, exploring all aspects of the process. The success of M&A are analyzed through two main research approaches: event studies and financial performance analyses. The event studies examine the abnormal returns to the shareholders in the period surrounding the merger announcement. The financial performance studies examine the reported financial results of acquirers before and after the acquisition to see whether financial performance has improved after merger. The relation between method of payment, premium paid and stock returns are examined. The chapters also discuss synergies of the deal-cost and revenue synergies. Mergers and acquisitions represent a major force in modern financial and economic environment. Whether in times of boom or bust, M&As have emerged as a compelling strategy for growth. The biggest companies of modern day have all taken form through a series of restructuring activities like multiple mergers. Acquisitions continue to remain as the quickest route companies take to operate in new markets and to add new capabilities and resources. The cases covered in this book highlights high profile M&As and focuses on the wealth creation for shareholders of acquirer and target firms as a financial assessment of the merger's success. The book should be useful for finance professionals, corporate planners, strategists, and managers.
