Introducing Stata—sample session

with references to chapters later in this book as well as to the system help and other Stata manuals. We will run through the session by using both menus and dialogs and Stata's commands so that you can become familiar with them both. Take a seat at your computer, put on some good music, and work along with the book. Sample session

HI POWER - Browning

Never place your firearm on or against a fence, tree, car or other similar object. 19 BE DEFENSIVE AND ON GUARD AGAINST UNSAFE GUN HANDLING AROUND YOU AND OTHERS. Don't be timid when it comes to firearm safety. If you observe other shooters violating any of these safety precautions, politely suggest safer handling practices.
