helped millions of students around the world, Fundamentals of English Grammar blends direct grammar instruction with carefully sequenced practice to develop speaking, writing, listening, and reading skills. The fifth edition has been extensively revised to keep pace with advances in theory and practice, particularly from cognitive science. Now more than ever, teachers will find an extensive range of presentations, activities, and tasks to meet the specific needs of their classes. New to This Edition * A pretest at the start of each chapter allows learners to assess what they already know and orient themselves to the chapter material. * Practice, spaced out over time, helps students learn better. Numerous exercises have been added to provide more incremental practice. * New charts and exercises show patterns to help learners make sense of

the information. * Meaning-based practice is introduced at the sentence level. Students do not have to wait for longer passages to work with meaning. * Frequent oral exercises encourage students to speak more naturally and fluidly. * Step-by-step writing activities promote written fluency. All end-of-chapter tasks include writing tips and editing checklists. * A wide range of contextualized exercises, frequently including life skills vocabulary, encourages authentic language use. * Updated grammar charts based on corpus research reflect current usage and highlight the differences between written and spoken English in formal and informal contexts. * The BlackBookBlog focuses on student success, cultural differences, and life-skills strategies. * End-of-the-chapter Learning Checks help students assess their learning. * A Pearson Practice English app with end-of-

chapter learning checks, Student Book audio, and guided PowerPoint videos. * Revised MyEnglishLab for a fully blended program.

Understanding English Grammar, Books a la Carte Edition For courses in Advanced Grammar. The essentials of English grammar, with a distinctively clear organization and user-friendly language The acclaimed Understanding English Grammar fosters students' innate language expertise as they study sentence grammar. It offers a practical blend of the

most useful elements of both traditional and new linguistic grammar, beginning with an overview of English as a world language, language change, and various classroom issues associated with prescriptive grammar and correctness, along with an updated list of further readings. Every discussion is viewed through the eyes of a novice reader, bearing in mind how the current generation of students uses communication tools for social purposes.

Both students and teachers appreciate the self-teaching quality that incremental exercises provide throughout the chapters, with answers at the end of the book. The Tenth Edition introduces new coauthors Loretta Gray and Joseph Salvatore--two respected scholars who bring their special expertise in linguistics and creative writing, as well as long experience in teaching grammar and writing. Also Available with MyWritingLab(tm)

This title is also

available with MyWritingLab—an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. In addition to the full eText, activities directly from the text are available within MyWritingLab. These include the small scrawl written assignments, readings from the text, review exercises and more.

in Visual Basic Programming" "This package includes MyProgrammingLab . " From the Beginning: A Comprehensive Introduction to Visual Basic Programming Schneider s "Introduction to Programming Using Visual Basic, "Tenth Edition brings continued refinement to a textbook praised in the industry since 1991. A favorite for both instructors and students, Visual Basic 2015 is designed for readers with no prior computer programming experience. Schneider introduces a problem-solving strategy early in the book and revisits it throughout allowing you to fully develop logic and reasoning. A broad range of real-world examples, section-ending exercises, case studies and programming projects gives you a more hands-on experience than any other Visual Basic book on the market. The Tenth Edition keeps the pace with modern programming methodology while

incorporating current content and practices. Each chapter is rich yet concise due to to the author s focus on developing chapters around crucial subjects rather than covering too many topics superficially. The amount and the range of projects provided in the text offer flexibility to adapt the course according to the interests and abilities of the readers. Some programming projects in later chapters can be assigned as end-of-the-semester projects. Personalize learning with MyProgrammingLab . MyProgrammingLab is an online learning system designed to engage students and improve results. MyProgrammingLab consists of a set of programming exercises correlated to specific Pearson CS1/Intro to Programming textbooks. Through practice exercises and immediate, personalized feedback, MyProgrammingLab improves the programming competence of beginning

students who often struggle with the basic concepts of programming languages. Interactive Practice provides first-hand programming experience in an interactive online environment. Error Messages for Incorrect Answers give students immediate personalized feedback. The error messages include both the feedback from the compiler and plain English interpretations of likely causes for the incorrect answer. Step-by-step VideoNote Tutorials enhance the programming concepts presented in your Pearson textbook by allowing students to view the entire problem-solving process outside of the classroom when they need help the most. Pearson eText gives students access to their textbook anytime, anywhere. In addition to note taking, highlighting, and bookmarking, the Pearson eText offers interactive and sharing features. Rich media options let

students watch lecture and example videos as they read or do their homework. Instructors can share their comments or highlights, and students can add their own, creating a tight community of learners in your class. The Pearson eText companion app allows existing subscribers to access their titles on an iPad or Android tablet for either online or offline viewing. Dynamic grading and assessment provide auto-grading of student assignments, saving you time and offering students immediate learning opportunities: A dynamic roster tracks their performance and maintains a record of submissions. The color-coded gradebook gives you a quick glance of your class' progress. Easily drill down to receive information on a single student's performance or a specific problem. Gradebook results can be exported to Excel to use with your LMS.

Het element Ken Robinson
2011-12-20 Het Element
is het punt waar
natuurlijk talent en
persoonlijke passie
elkaar ontmoeten. Als
mensen in hun element
zijn, zijn ze het meest
zichzelf, het meest
geïnspireerd en halen ze
het beste uit zichzelf.
Dit boek is een lofzang
op de adembenemende
diversiteit van
menselijke talenten en
passies en ons
buitengewoon potentieel
voor groei en
ontwikkeling. Op zijn
eigen bevlogen manier
zet Robinson de lezer
aan tot denken en
inspireert hij iedereen
om het Element te
vinden.

Check with the seller prior to purchase. -- This market-leading text for grammar courses is a comprehensive description of sentence structure that encourages students to recognize and use their innate language expertise as they study the systematic nature of sentence grammar. A practical blend of the most useful elements of both traditional and new linguistic grammar, the text emphasizes whole structures, most specifically the ten basic sentence patterns introduced in Chapter 3. Two key features separate this book from others: its clear organization and its user-friendly, accessible language. Both students and teachers appreciate the self-teaching quality that incremental exercises provide throughout the chapters, with answers at the end of the book. 0321891260 / 9780321891266 Understanding English

beginning with an overview of English as a world language, language change, and various classroom issues associated with prescriptive grammar and correctness, along with an updated list of further readings. Every discussion is viewed through the eyes of a novice reader, bearing in mind how the current generation of students uses communication tools for social purposes. Both students and teachers appreciate the self-teaching quality that incremental exercises provide throughout the chapters, with answers at the end of the book. The Tenth Edition introduces new coauthors Loretta Gray and Joseph Salvatore--two respected scholars who bring their special expertise in linguistics and creative writing, as well as long experience in teaching grammar and writing. Personalize Learning with MyWritingLab(tm) MyWritingLab is an online homework, tutorial, and assessment

program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. In addition to the full eText, activities directly from the text are available within MyWritingLab. These include the small scrawl written assignments, readings from the text, review exercises and more.

This accessible text provides more extensive coverage of issues of particular interest to English and Education majors. Tapping into our natural curiosity about language, it invites all students to connect academic linguistics to everyday use of the English language and to become active participants in the construction of linguistic knowledge. The second edition provides updated

examples of language change--including new slang and other word coinages, grammatical developments, and sound changes--as well as new research findings on American dialects, language acquisition, language evolution, eggcorns, English and the Internet, and much more.

Nu ik dood zal gaan

Randy Pausch 2011-10-09

Met *Nu ik dood zal gaan* heb je iets belangrijks in handen. Het is een boek dat je tot nadenken zet over je eigen leven, dat je doet inzien dat alles een doel heeft - hoe klein ook. Randy Pausch, professor in de informatica, is een

'gewone' man met drie jonge kinderen, die op een dag te horen krijgt dat hij nog maar enkele maanden te leven heeft. Een paar weken later geeft hij aan de universiteit zijn laatste college, die door de eenvoud en kracht ervan een miljoenenpubliek bereikt. Het college ging over alles waar Randy in gelooft. Het ging over het leven. Dit boek is bedoeld om mensen waar ook ter wereld kennis te laten maken met Randy's levenslust. Het is een waardevol document waar je nog jarenlang hoop, inspiratie en kracht uit kunt putten.
