**A Book Sale How-to Guide** Pat Ditzler 2012 The authors provide a tested and successful formula for making money for local libraries in a practical and fun way-- a library book sale.

The Publishers Weekly 1942

*Hearings* United States. Congress. House. Committee on Education

*The History of Modern Korean Fiction (1890-1945)* Young Min Kim 2020-11-09 This book explores the history of modern Korean literature from a sociocultural perspective. Rather than focusing solely on specific authors and their works, Young Min Kim argues that the development of modern media, shifting conceptualizations of the author, and a growing mass readership fundamentally shaped the types of narratives that appeared at the turn of the twentieth century. In particular, Kim follows the trajectory of the *sin sosŏl* (new fiction) as it meshed with the new print and media culture to give rise to innovative and hybrid genres and literary styles. In doing so, he compellingly illuminates the relationship between literary systems and forms and underscores the necessity of re-locating literary texts in their sociohistorical contexts.

**Tot op de laatste cent** Jeffrey Archer 2021-05-19 Één miljoen

dollar - dat is het bedrag dat Harvey Metcalfe, de koning van de schimmige transacties, heeft binnengehaald met loze beloften van een olievondst en snelle rijkdom. Vier mannen - de erfgenaam van een graafschap, een dokter in Harley Street, een kunsthandelaar in Broad Street en een docent in Oxford - zijn van de ene op de andere dag straatarm. Maar ditmaal heeft Harvey de verkeerden bedrogen. De gedupeerde mannen spannen samen en schaduwen hem van het casino van Monte Carlo tot op de prestigieuze renbaan van Ascot en de geheiligde gazons van Oxford. Hun plan is eenvoudig: de schurk het exacte bedrag afhandig maken dat hij van ze gestolen heeft - tot op de laatste cent. Jeffrey Archer is een Britse auteur en voormalig politicus. Hij was vijf jaar lid van het Lagerhuis en zesentwintig jaar lid van het Hogerhuis. Archer debuteerde als schrijver in 1974 en heeft sindsdien meerdere internationale bestellers geschreven, waaronder 'Kane & Abel' en de 'Clifton-kronieken'. Naast thrillers schrijft hij korte verhalen en toneelstukken. In zijn autobiografische trilogie 'Gevangenisdagboeken' doet hij verslag van de celstraf die hij moest uitzitten na een veroordeling voor meeneed. Jeffrey Archer is een van de meest succesvolle auteurs van het Verenigd Koninkrijk met meer dan 320 miljoen verkochte boeken wereldwijd. Archer is getrouwd, heeft twee zoons en drie

kleinkinderen en woont afwisselend in Londen, Cambridge en op Mallorca.

*Een samenzwering van idioten* John Kennedy Toole 2011-03-15  
Heruitgave van een van de mooiste boeken aller tijden, in 1981 bekroond met de Pulitzer Prize. Een schitterende hommage aan New Orleans, dat het verhaal vertelt van de dertigjarige Ignatius J. Reilly: de onvergetelijke, zwaarlijvige, aartsluie, boerende, zijn omgeving terroriserende, Don Quichot-achtige hoofdperson. Na een weinig glorieuze carrière als hotdogverkoper, die mislukt omdat hij vooral zichzelf van consumpties voorziet, gaat hij ervandoor met Myrna, de 'luidruchtige, beledigende jongedame uit de Bronx'.

The Impact of Print-On-Demand on Academic Books Suzanne Wilson-Higgins 2017-11-21  
The convergence of online book selling, digital printing, digital document workflow management and the computerization of small parcel logistics created a unique opportunity to create a viable commercial model for printing and supplying books on demand. This innovation was swiftly embraced by the academic publishing community heralding the rescue of the languishing academic monograph. The possibilities captured the imagination of creative academic and niche publishers enabling custom publishing, student editions of monographs, self-compiled wiki books and even the establishment of new university presses and open access publishers. The Impact of Print on-Demand on Academic Books takes an in-depth look at this phenomenon by looking back on two decades of innovation, reviewing the present state of academic publishing with respect to works being printed on demand and compiling the current forecasts and speculation about the future of academic and niche publishing given the impact of print on-demand. Presents knowledge on the print-on-demand industry and chronicles developments and their impact on publishing Provides a useful guide for practitioners and students of publishing, and is ideal for academic publishing historians and business academics

interested in innovation and digital developments Includes an international perspective, with information from Europe, North America, Australia, and Singapore/China Chronicles business case studies collected from interviews with key individuals from companies who have shaped, or are shaping, the academic POD landscape

**Make Money Online for Beginners** Daren H. Russell  
2022-07-04  
If you want to discover how to make money online from the comforts of your home using your skills and passion, keep reading... Did you know: - The unemployment rate has gone up 14.7% - the highest rate and the largest over-the-month increase in the data's history, with the number of unemployed individuals increased by 15.9 million to a shocking 23.1 million. - According to Nasdaq, it's estimated that by the year 2040, 95% of sales will be made online. - According to the Pew Research Center, income inequality in the U.S has increased since 1980 and is greater than in peer countries. If you've suffered from a recent job loss or are currently underpaid, the stress it gives can take a lot of toll on you. You may find yourself wondering if there's a solution to earn income using your skills and even passions. And yes, there is: making money on the internet. Making money online and from home is a great opportunity for those who want to earn income on the internet. And in today's economic uncertainty, there has never been a great time to learn how to do this successfully. **Romanschrijver van beroep** Haruki Murakami 2019-01-10 In 'Romanschrijver van beroep', een unieke 'autobiografie van een schrijverschap', vertelt Haruki Murakami zeldzaam openhartig over zichzelf. Haruki Murakami is wereldwijd een van de meest geliefde en gelezen schrijvers. Tegelijkertijd geldt hij als een van de meest teruggetrokken en verlegen schrijvers: hij reist niet graag en geeft zelden interviews over zijn werk. In 'Romanschrijver van beroep' krijgen we een eenmalig kijkje in de ziel van Haruki Murakami. Hij vertelt in detail over zijn schrijfproces, zijn bronnen van inspiratie, de betekenis van muziek en bepaalde lievelingsschrijvers voor zijn leven en werk. Hij strooit gul met advies aan aspirant-schrijvers. En hij vertelt zeldzaam openhartig over zichzelf. Stukje bij beetje ontstaat haast datgene wat Murakami in zijn bescheidenheid nooit zou schrijven: een soort autobiografie. In ieder geval van een

schrijverschap. Het werk van Haruki Murakami wordt in meer dan 40 landen uitgegeven en is bekroond met onder andere de Welt Literaturprijs en de Hans Christian Andersenprijs. Hij wordt regelmatig getipt als kandidaat voor de Nobelprijs voor de Literatuur.

### **How to Make Money Selling Old Books and Magazines on eBay**

Nick Vulich 2022-06-26 There's a lot of information out there about how to sell books on eBay. But there's nothing quite like this. I'm going to show you how to tear apart old books and magazines, repackage them for sale on eBay, and how you can easily turn \$15.00 into \$250.00. Sounds impossible, doesn't it? I know my friends and relatives thought I'd lost my marbles when I told them what I do for a living. And, you can hardly blame them. Hey there. My name is Nick Vulich. Most people online know me as history-bytes. Over the last fifteen years, I've made a living tearing apart old books and magazines and reselling them on eBay. Yes! You heard that right. I remove magazine articles, prints, and advertisements from old books and magazines, and resell them to ready buyers on eBay. I know it sounds kind of nuts. But, over the last fifteen years, I've sold over thirty thousand magazine articles alone. I've shipped them to China, Russia, Mexico, India, Australia, just about every country in the world. It's an amazing business Think about it for a minute. I take old books and magazines that libraries and individuals are ready to throw away, tear them apart, and sell one to ten-page chunks to ready buyers around the world. And, here's the best part! They pay me \$15.00 to \$50.00 for each of them. Several have sold for over \$250.00 each. How crazy is that! If you've ever considered selling books or paper collectibles on eBay, this short guide can help you better understand How to source product how to write descriptions that sell How to price your items for maximum profit Selling vintage magazine articles, prints, and advertisements can be one of the most lucrative gigs on eBay. Here's the thing. Even if this isn't the product for you, the ideas presented in this book

can kick-start your thinking about what you can sell on eBay. It'll get you started looking at common everyday items around you and thinking, what if I Package these items together Break it apart, and sell each piece separately Or, what if I .... You get the picture. People are selling just about everything imaginable on eBay. The problem is they're all fighting to sell the same stuff, and as a result prices - and profits, go down. If you want to make real money on eBay - You need to change the rules. Create an all-new game, where you call the shots. Be an original, and make more money than you ever thought possible!

*Appendix to the Journals of the Senate and Assembly ... of the Legislature of the State of California ... California 1931*

Mathematical Publishing Steven George Krantz Mathematicians are expected to publish their work: in journals, conference proceedings, and books. It is vital to advancing their careers. Later, some are asked to become editors. However, most mathematicians are trained to do mathematics, not to publish it. But here, finally, for graduate students and researchers interested in publishing their work, Steven G. Krantz, the respected author of several "how-to" guides in mathematics, shares his experience as an author, editor, editorial board member, and independent publisher. This new volume is an informative, comprehensive guidebook to publishing mathematics. Krantz describes both the general setting of mathematical publishing and the specifics about all the various publishing situations mathematicians may encounter. As with his other books, Krantz's style is engaging and frank. He gives advice on how to get your book published, how to get organized as an editor, what to do when things go wrong, and much more. He describes the people, the language (including a glossary), and the process of publishing both books and journals. Steven G. Krantz is an accomplished mathematician and an award-winning author. He has published more than 130 research articles and 45 books. He has worked as an editor of several book series, research

journals, and for the Notices of the AMS. He is also the founder of the Journal of Geometric Analysis. Other titles available from the AMS by Steven G. Krantz are How to Teach Mathematics, A Primer of Mathematical Writing, A Mathematician's Survival Guide, and Techniques of Problem Solving.

*Anna Karenina* Leo Tolstoy 2016-07-31 Tolstoy's style in *Anna Karenina* is considered by many critics to be transitional, forming a bridge between the realist and modernist novel. The novel is narrated from a third-person-omniscient perspective, shifting the narrator's attention to several major characters, though most frequently focusing on the opposing lifestyles and attitudes of its central protagonists of Anna and Levin. As such, each of the novel's eight sections contains internal variations in tone: it assumes a relaxed voice when following Stepan Oblonsky's thoughts and actions and a much more tense voice when describing Levin's social encounters. Much of the novel's seventh section depicts Anna's thoughts fluidly, following each one of her ruminations and free associations with its immediate successor. This groundbreaking use of stream-of-consciousness would be utilised by such later authors as James Joyce, Virginia Woolf, and William Faulkner.

Crisis in Higher Education Mark A. Vonderembse 2017-10-24

While many students, parents, educators, and organizations who hire their graduates hold US universities in high regard, the cost of higher education has risen much faster than the rate of inflation. High costs, in turn, have severely limited access to higher education for large portions of the US population or caused graduates and those who fall short of graduation to face substantial student loan debt. This book examines the root causes of these underlying problems and offers a comprehensive, easy-to-understand, high-impact solution. The book identifies actions that improve higher education outcomes including lower tuition costs, better access for student from low and middle income homes, faster throughput, fewer dropouts, and better job

opportunities for graduates. It links a real and implementable solution to the underlying problems and their root causes. Upon finishing this book, readers should understand why the performance of higher education needs to improve and have solid ideas about how to fix it. The book focuses on public universities, but the ideas discussed are also applicable to private for-profit and not-for-profit universities. The writing style is simple and direct.

*Assembly Bills, Original and Amended* California. Legislature. Assembly 1953

**How to Manage Money Like a Minister** Price Michael 2010-07-15 How did my mother do it? She was a single mom raising six children without child support, alimony or a nest egg. Yet we children did not want for anything while we were growing up. Most surprising-Mom accomplished most of this with a \$95 monthly public assistance check. She shared her secrets with me, and now I'm going to share them with you.

De Vreemdeling op de weg naar Emmaüs John R. Cross 2017-02-04 Het is wel 'het meest verkeerd begrepen boek uit de geschiedenis' genoemd. Uit naam ervan zijn in het verleden oorlogen gevoerd. Politici hebben er beleid op gemaakt, maar dit beleid ook weer veranderd. Theologen hebben het verdedigd en gehoond. Sceptici hebben dit boek op de korrel genomen. En misschien heeft al het 'gedoe' rond de Bijbel ook u wel eens versted doen staan. De vraag blijft: "Wat zegt de Bijbel nu eigenlijk echt?" U hebt nu een boek in handen dat de grote Bijbelse thema's duidelijk en logisch uitlegt. In plaats van zich op één onderdeel te focussen - en dan het geheel te missen - verbindt de auteur de gehele tekst chronologisch tot een groot universeel drama en kijkt hij naar gebeurtenissen vanuit het perspectief van degenen die er bij waren toen er geschiedenis werd geschreven. Het resultaat is soms grappig, soms angstaanjagend, maar altijd in overeenstemming met de bedoeling van de tekst. Als u dit boek uit hebt gelooft u misschien

wel in 'het Boek' zoals u nooit eerder hebt gedaan. Of u besluit tot het tegendeel. De objectieve benadering van de auteur laat die beslissing aan u over. Bij dit boek hoort ook De vreemdeling op de weg naar Emmaüs - werkboek dat uitermate geschikt is voor studiekeringen, catechese en middelbare scholen. 'Hoewel ik al 30 jaar naar de kerk ging had ik nooit iets van de Bijbel begrepen. Het was niet meer dan een bundel losse verhalen. Nu past de Bijbel op een duidelijke, logische manier in elkaar. Het is gewoon ongelooflijk.'

**What Shall We Tell the Children?** Stuart J. Foster 2006-04-01

The pages of this book illustrate that as instruments of socialization and sites of ideological discourse textbooks are powerful artefacts in introducing young people to a specific historical, cultural and socioeconomic order. Crucially, exploring the social construction of school textbooks and the messages they impart provides an important context from within which to critically investigate the dynamics underlying the cultural politics of education and the social movements that form it and which are formed by it. The school curriculum is essentially the knowledge system of a society incorporating its values and its dominant ideology. The curriculum is not "our knowledge" born of a broad hegemonic consensus, rather it is a battleground in which cultural authority and the right to define what is labelled legitimate knowledge is fought over. As each chapter in this book illustrates curriculum as theory and practice has never been, and can never be, divorced from the ethical, economic, political, and cultural conflicts of society which impact so deeply upon it. We cannot escape the clear implication that questions about what knowledge is of most worth and about how it should be organized and taught are problematic, contentious and very serious.

*How to Sell Used Books on Amazon* William West 2016-09-09  
How To Sell Used Books On Amazon The Home Based Bookstore - Make A Passive Income By Selling Old Books On Amazon  
Everyone could use a passive income; some extra cash for things you want instead of things you need. An Amazon book store can provide that passive income, but first you need to know the basics. It is not difficult to sell old books on Amazon, but there are

tips that will help you establish yourself and sell more than the odd one off title. You will want to know, "what books sell the best", "does one genre sell better than others?", "do I need cash to begin selling?" ... this book will provide you with all of the information you will need to open your own home based bookstore on Amazon and make a passive income. You may own a book right now that others would spend money to own; get started and find out just how much your old book collection can bring in.

**How to Make Easy Money Selling Your Old Used Books on Amazon** Steve Johnson 2013-03-07 (This is 5th Edition - Updated Feb. 2014.) Listing your used books for free on Amazon is the best way to make easy money working from home! People who buy used books want to save money. Give them what they want, listing secondhand books on Amazon, and you'll make money. Get this paperback book now for about the price of a pizza, and you'll find out how you can duplicate this author's success and be making profits fast! Listing used books may be the perfect home-based business! This book tells what you need to know to get started fast working from home. You can buy plenty of top-selling books for less than 25 cents a book and then resell them for up to \$50 each, sometimes even more! It takes less than 1 hour a day to run your own home-based bookstore in your spare time. There's no need for to go deep in debt or work long hours for your extra cash. No need to invest \$1,000's in inventory or rent a storefront, you won't need expensive add-on services, and you won't need much equipment. You can run this part-time business from a spare room or your kitchen table. Listing your used books online, working from home, is recession-proof. That's because people always want a bargain ... and, if you know what you're doing, you can earn extra cash simply by finding and listing good used books in your spare time! Start small and grow your business bigtime with help from family and friends! Start listing books you already own you don't need anymore, books you get cheap (or free) from

friends and family, and the books you find for next to nothing at thrift stores and yard sales in your hometown. This book helps you get what you want: extra money, just finding and listing something people are ready and willing to buy. Start small by selling off your own unwanted books for a little extra pocket money. Re-invest your profits and build up your inventory to 1,000 or more books for sale, and create a nice steady stream of passive income. Best of all, there's really no selling you have to do at all. You'll just find the books, list them for free, and Amazon does all the rest. Maybe you're thinking: "But what if I don't want to start a business... I just want to get rid of my old used books." This book can definitely help you too. Clear out the clutter of old books and sell your unwanted titles for top prices. Books, DVDs and CDs make far more cash online than you'd make selling them at a yard sale. Reading this book will pay for itself in no time flat. Discover the best types of books that sell quickly for top profits. Keep your eyes open for the best-selling used books which can be found just about anywhere. Pick them up for pennies on the dollar. Know which books you should leave behind that will wind up just taking up space. Now includes new updated chapter on the Amazon FBA program! *An Author's Guide to Scholarly Publishing* Robin Derricourt 2018-06-05 Directed specifically to the needs of academic authors, this realistic handbook is a guide to publishing success for both beginning and seasoned scholars. Robin Derricourt uses an immensely readable series of informal letters to provide a fund of practical advice: an up-to-date manual on how to plan and prepare a book, approach a publisher, secure a contract, and build a reliable author-publisher relationship that will last throughout the process of publication and marketing. Informed by rare common sense, and a sense of humor, the book speaks clearly about the most recent developments in the rapidly changing world of electronic publishing, clarifying what can and cannot be achieved with word processors. From the possible negative responses of a publisher to the questions implied by success--new editions and subsidiary rights--*An Author's Guide to Scholarly Publishing* is indispensable reading for academics in every field. Derricourt's candid yet encouraging suggestions will be useful at any stage of book preparation, including the process of writing, when focusing on purpose and audience benefits both the author and the future publisher, not to mention the future reader! Furthermore, his "letters" include those on various kinds of books--standard monographs, technical books, conference volumes, edited volumes, collected papers, textbooks, and works built on dissertations. A reference of "nuts and bolts," this book is also quick and entertaining reading when perused from cover to cover.
