Just exercise just what we have the funds for under as well as evaluation **Starting With Alice Paperback** what you following to read!

Still Alice Lisa Genova 2014-12-01 A moving and insightful story of a woman with early onset Alzheimer's disease, now a major film starring Academy Award nominee Julianne Moore and Kristen Stewart. Alice Howland is proud of the life she worked so hard to build. At fifty, she's a cognitive psychology professor at Harvard and a renowned expert in linguistics, with a successful husband and three grown children. When she begins to grow forgetful and disoriented, she dismisses it for as long as she can until a tragic diagnosis changes her life - and her relationship with her family and the world around her - for ever. Unable to care for herself, Alice struggles to find meaning and purpose as her concept of self gradually slips away. But Alice is a remarkable woman, and her family learn more about her and each other in their quest to hold on to the Alice they know. Her memory hanging by a frayed thread, she is living in the moment, living for each day. But she is still Alice.

The Alice B. Toklas Cook Book Alice B. Toklas 2021-05-18 "I'm drenched in cream, marinated in wine, basted in cognac, and thoroughly buttered by the end of The Alice B. Toklas Cook Book." —Eula Biss, New York Times bestselling author of *Having and Being Had* A beautiful new edition of

the classic culinary memoir by Alice B. Toklas, Gertrude Stein's romantic partner, with a new introduction by beloved culinary voice Ruth Reichl. Restaurant kitchens have long been dominated by men, but, as of late, there has been an explosion of interest in the many women chefs who are revolutionizing the culinary game. And, alongside that interest, an accompanying appetite for smart, well-crafted culinary memoirs by female trailblazers in food. Nearly 70 years earlier, there was Alice. When Alice B. Toklas was asked to write a memoir, she initially refused. Instead, she wrote *The Alice B. Toklas Cook Book*, a sharply written, deliciously rich cookbook memorializing meals and recipes shared by Hemingway, Fitzgerald, Wilder, Matisse, and Picasso—and of course by Alice and Gertrude themselves. While *The Autobiography of Alice B. Toklas*—penned by Gertrude Stein—adds vivid detail to Alice's life, this cookbook paints a richer, more joyous depiction: a celebration of a lifetime in pursuit of culinary delights. In this cookbook, Alice supplies recipes inspired by her travels, accompanied by amusing tales of her and Gertrude's lives together. In "Murder in the Kitchen," Alice describes the first carp she killed, after which she immediately lit up a cigarette and waited for the police to come and haul her away; in "Dishes for Artists," she describes her hunt for the perfect recipe to fit Picasso's peculiar diet; and, of course, in "Recipes from Friends," she provides the recipe for "Haschich Fudge," which she notes may often be

accompanied by “ecstatic reveries and extensions of one’s personality on several simultaneous planes.” With a heartwarming introduction from Gourmet’s famed Editor-in-Chief Ruth Reichl, this much-loved, culinary classic is sure to resonate with food lovers and literary folk alike.

Wallbanger Alice Clayton 2013-08-13 “An instant classic...highly recommended!” —New York Times and USA TODAY bestselling author Jennifer Probst USA TODAY bestselling indie author Alice Clayton delights readers with the sexy, laugh-out-loud romance of Caroline and Simon in *Wallbanger*, the first book in the *Cocktail* series! The first night after Caroline moves into her fantastic new San Francisco apartment, she realizes she’s gaining an—um—intimate knowledge of her new neighbor’s nocturnal adventures. Thanks to paper-thin walls and the guy’s athletic prowess, she can hear not just his bed banging against the wall but the ecstatic response of what seems (as loud night after loud night goes by) like an endless parade of women. And since Caroline is currently on a self-imposed “dating hiatus,” and her neighbor is clearly lethally attractive to women, she finds her fantasies keep her awake even longer than the noise. So when the wallbanging threatens to literally bounce her out of bed, Caroline, clad in sexual frustration and a pink baby-doll nightie, confronts Simon Parker, her heard-but-never-seen neighbor. The tension between them is as thick as the walls are thin, and the results just as mixed. Suddenly, Caroline is finding she may have discovered a whole new definition of neighborly... In a delicious mix of silly and steamy, Alice Clayton dishes out a hot and hilarious tale of exasperation at first sight.

[The Story of Alice](#) Robert Douglas-Fairhurst 2016-08-15 Robert Douglas-Fairhurst illuminates two entangled lives: the Oxford mathematician Charles Dodgson (Lewis Carroll) and Alice Liddell, the child for whom he invented the Alice stories. This relationship influenced Carroll’s imaginative creation of *Wonderland*—a sheltered world apart during the stormy transition from the Victorian to the modern era.

Alice in Zombieland Gena Showalter 2014-10-27
*** Met een gratis voorproefje van Gena Showalters nieuwe boek *Eerste leven* *** Als iemand tegen Alice had gezegd dat haar hele

leven binnen een seconde totaal zou veranderen, dan zou ze hard hebben gelachen. Toch was er niet meer voor nodig. Eén seconde. Eén keer met je ogen knippen, één keer ademen, één hartslag, en alles wat ze kende, iedereen van wie ze hield, was verdwenen. Haar vader had gelijk. De monsters bestaan echt. En nu is ze haar hele familie kwijt. Zogenaamd door een auto-ongeluk, maar zij weet wel beter. De zombies hebben haar ouders en zusje vermoord. En hun moordlust kent geen grenzen. Om uit handen te blijven van die griezels, moet Alice leren hoe ze tegen ze moet vechten. En hiervoor moet ze haar leven toevertrouwen aan de grootste bad boy van school, Cole Holland...

ZORA : In Search of Zora Neale Hurston
WikiPedia Presents

The Start, 1904-1930 William L. Shirer 2014-01-30 The former CBS foreign correspondent provides an invaluable look back at his life—and the events that forged the twentieth century. A renowned journalist and author of *The Rise and Fall of the Third Reich*, William L. Shirer chronicles his own life story—in a personal history that parallels the greater historical events for which he served as a witness. In the first of a three-volume series, Shirer tells of his early life, growing up in Cedar Rapids, and later serving as a new reporter in Paris. In this surprisingly intimate account, Shirer details his youthful challenges, setbacks, rebellions, and insights into the world around him. He offers personal accounts of his friendships with notable people including Isadora Duncan, Ernest Hemingway, and Sinclair Lewis. This fascinating personal account also provides an illuminating look into a lost pre-World War II era—and is notable as much for its historical value as for its autobiographical detail. Ideal for anyone fascinated by this period in history.

[Magische praktijken](#) Alice Hoffman 2013-05-31 De zusjes Gillian en Sally Owens worden opgevoed door hun wereldvreemde tantes, die de meisjes ontzag voor de natuur bijbrengen en en passant ook nog wat hekserij... Eenmaal volwassen gaan de zusjes ieder hun eigen weg. Vele jaren zijn verstreken als op een dag Gillian voor Sally's huis stopt, met achter in haar auto

het lijk van haar minnaar, James. Ze begraven zijn lichaam in de achtertuin, maar de geest van James blijft spoken. Uit angst dat het lijk wordt ontdekt, doen Gillian en Sally een beroep op de magische praktijken van hun tantes. Magische praktijken is een heerlijke roman over magie en echte liefde, over families en dagelijkse betoveringen.

Alice's Adventures in Wonderland Lewis Carroll 1981 A young girl enters two bizarre worlds by following a white rabbit down a rabbit hole and moving through the mirror on the mantel.

Ik weet wie je bent Alice Feeney 2019-05-28 Ik weet wie je bent is een verslavende psychologische thriller boordevol twists voor de liefhebbers van B.A. Paris en S.J. Watson. Aimee Sinclair: de actrice die iedereen denkt te kennen, alleen weet men niet waarvan. Behalve ik. Ik weet precies wie je bent, waar je vandaan komt en wat je hebt gedaan. Je echtgenoot is vermist en de politie denkt dat je iets verbergt. Voor je werk doe je je altijd voor als iemand anders, je bent een professionele leugenaar. Maar dat is niets nieuws voor je, toch? Want ik weet dat je al eerder loog. Je hebt altijd gelogen. En de leugens die we onszelf vertellen, zijn de gevaarlijkste leugens van allemaal. Een psychologische thriller boordevol plotwendingen waarvan de haren je te berge rijzen en je hartslag versnelt. De briljante nieuwe pageturner van de bestsellerauteur van *Soms lieg ik*.

Alice's Evidence Robert B. Waltz 2013-10-31 This replaces the earlier *Looking Autism in the Face: Two New Perspectives on Autism*. This is personal; it is the expanded combination a pair of items I wrote about autism. Part of it looks at the relationship between Charles Dodgson (Lewis Carroll) and Alice Liddell, and marshals the evidence that Dodgson was not in lust after Alice, but rather was an autistic who formed an autistic friendship with her; the rest examines six noteworthy who were afflicted with "music and mathematics" autism and shows what they accomplished, and how we should understand such people. The whole is intended to demonstrate the difficult and complicated emotions I call "autistic friendship" and trouthe. Dedicated to Catie Jo Pidel, to Elizabeth and Patricia Rosenberg, and to "Sarah Jane," all of whom taught me lessons.

The Education of Alice M. Jordan Gale Eaton

2014-07-10 A long overdue biography of Alice M. Jordan (1870-1960), head of youth services at the Boston Public Library from 1902 to 1940 and one of the pioneers of children's librarianship.

Between the Age of Sail and the Space Age, a sea captain's daughter gained fame as a book critic while practicing institutional politics behind the scenes.

De jaagster Kate Quinn 2019-08-20 Het is 1946.

De Britse oorlogscorrespondent Ian Graham is erop gebrand de vrouw te pakken te krijgen die bekendstaat als die Jägerin - de jaagster. De vrouw heeft gruwelijke misdaden gepleegd, maar daarnaast wordt Ian gedreven door een heel persoonlijke reden. Het lijkt een onmogelijke opgave om haar te vinden, tot hij Nina Markova ontmoet, een Russische pilote die tijdens de oorlog in vijandelijke handen viel maar wist te ontsnappen. Zij is de enige die ooit oog in oog heeft gestaan met de jaagster en het heeft overleefd. Ondertussen maakt de zeventienjarige Jordan in Amerika kennis met de nieuwe verloofde van haar vader, een vrouw met een licht Duits accent en een verleden waarover ze niet wil praten... De jaagster is een razendspannend verhaal vol waargebeurde historische feiten, liefde en verraad, dat van het begin tot het einde boeit. Over De jaagster 'Razend spannend boek vol waargebeurde historische feiten, liefde en verraad.' - Story

Fostering for Adoption Alice Hill 2021-10-18 For anyone considering or going through Fostering for Adoption, this book gives you a detailed, personal account of the process which takes you through all the stages and prepares you to cope with the highs and lows. Fostering for Adoption is a relatively recent initiative (Children and Families Act, 2014) in the adoption legal landscape, seeking early permanence for babies and young children where adoption is most likely to be the plan for the child. This is often cited as a route to be in the best interests of the child, enabling secure attachments and stability. However, for adopters it is inherently risky, it is the adopters who take on the risk in this situation, accept the placement on a fostering basis and hope that the final outcome will be adoption. There is currently a knowledge gap on experiences of Fostering for Adoption which this book tackles. Written from an adopters'

perspective of the risks and challenges, as well as the benefits that it brings, it is perfect for those who are considering the process as well as their friends and family. A book on Fostering for Adoption can't just focus on one story and one outcome so we've included case studies which cover the key experiences adopters may face when agreeing to accept a baby on a Foster to Adopt placement such as: Caring for a baby a few days after birth The paperwork, rules and fostering process The uncertainty and risk Meeting with birth parents Contact Looking after a withdrawing baby A termination of placement Written in an engaging and friendly style, this book is perfect reading for anyone looking to adopt a child and for adoption professionals seeking to understand the experience of the adopter more profoundly. Praise for Fostering for Adoption "As someone who has been through a similar journey this book resonated with me. It is honest about the ups and downs and is a great, informative book for anybody thinking of taking this route or who have family or friends that are. I can say that this book will help anyone at the beginning of their journey, to help them through the process and – start the lifetime of learning about how we can support our children." Lisa Faulkner, Author, Meant to be "Alice's book will be a great companion to anyone considering or starting on the foster to adopt process. It is well-researched and written and doesn't shy away from the many complexities and the considerations that adults must make in the best interests of children." Sally Donovan, Author of No Matter What, and Editor of Adoption Today "I thoroughly enjoyed reading this book, I found myself laughing and getting emotional throughout. As someone who has themselves been adopted, but who is also a social worker who has now adopted a child, this book is brilliant from every angle. A must read for anyone considering Fostering for Adoption." Jo, Social Worker, Midlands "This book gives a balanced and honest view of the whole Fostering for Adoption journey. It gets to the emotions and seriousness of decisions being made about children's lives. This is an important read for any potential adopter and will be on our book lists for sure" Angi, Social Worker, Adoption Tees Valley *Alice's Adventures in Wonderland Journal* Tara Baja 2021-06-17 "And what is the use of a book...

without pictures or conversations?" - Alice, Alice's Adventures in Wonderland by Lewis Carroll From the Author Tara Baja: I've been writing since I was a child and one of my favorite things to do since then is to collect notebooks and/or journals. It didn't matter if I needed a new one or not, I had to have one just in case I did want to write. I still have a variety of empty or half filled journals, notepads and notebooks just waiting to be written in! When I found out that I had the opportunity to design my own books AND make them available for the masses, I jumped at the chance. Aside from the mind, a writer's most important tools are something to write with and something to write on. This Alice in Wonderland digital print journal comes in a glossy paperback cover, with the above quote from Alice's Adventures in Wonderland, on the back cover. The interior has: A Property Of page with the Alice and Cheshire Cat image from the front cover as a background in black and white. White, unlined stationary pages with the image of Alice and the Cheshire Cat from the front cover (in black and white), located at the lower right-hand corner of each page. Journal size is 6 inches x 9 inches. Contains 132 pages. Suitable for children, teens or adults. Makes a great gift for anyone, with a variety of uses including but not limited to: a diary, dream journal, book for note taking, sketching, or even an address book. Perfect place to start your own poetry book. Use your imagination and discover the endless possibilities! *All images were procured from the public domain site Pixabay.

Alice By Heart Steven Sater 2020-02-04 A young girl takes refuge in a London Tube station during WWII and confronts grief, loss, and first love with the help of her favorite book, Alice in Wonderland, in the debut novel from Tony Award-winning playwright Steven Sater. London, 1940. Amidst the rubble of the Blitz of World War II, fifteen-year-old Alice Spencer and her best friend, Alfred, are forced to take shelter in an underground tube station. Sick with tuberculosis, Alfred is quarantined, with doctors saying he won't make it through the night. In her desperation to keep him holding on, Alice turns to their favorite pastime: recalling the book that bonded them, and telling the story that she knows by heart--the story of Alice in Wonderland. What follows is a stunning, fantastical journey

that blends Alice's two worlds: her war-ravaged homeland being held together by nurses and soldiers and Winston Churchill, and her beloved Wonderland, a welcome distraction from the bombs and the death, but a place where one rule always applies: the pages must keep turning. But then the lines between these two worlds begin to blur. Is that a militant Red Cross Nurse demanding that Alice get BACK. TO. HER. BED!, or is it the infamous Queen of Hearts saying...something about her head? Soon, Alice must decide whether to stay in Wonderland forever, or embrace the pain of reality if that's what it means to grow up. In this gorgeous YA adaption of his off-Broadway musical, the Tony Award-winning co-creator of *Spring Awakening* encourages us all to celebrate the transformational power of the imagination, even in the harshest of times.

Ik mis mezelf Lisa Genova 2012-07-19 Alice is bijna vijftig en leidt een druk leven als wetenschapper wanneer ze de diagnose vroege alzheimer krijgt. Haar leven verandert drastisch: ze verliest haar carrière en de regie over haar eigen wereld. Haar plan om haar man en kinderen niet tot last te worden en op tijd afscheid te nemen, verdwijnt uit haar geheugen. En Alice blijft achter, zonder haar herinneringen aan het verleden, zonder hoop voor de toekomst. Ze leeft in een heden dat soms even mooi maar meestal verwarrend en zelfs angstaanjagend is. *Ik mis mezelf* beschrijft op indrukwekkende wijze hoe Alice's wereld uit elkaar valt, en hoe ze in het puin terugvindt wat echt belangrijk is. Lisa Genova woont en werkt in Boston. Ze studeerde Neurowetenschappen aan Harvard. Haar debuutroman *Ik mis mezelf* werd een internationale bestseller. Het boek werd verkocht aan meer dan vijftien landen en won diverse prijzen, waaronder de 2008 Bronte Prize.

A Town Like Alice Nevil Shute 2010 "A tale of love and war, follows its enterprising heroine from Malayan jungle during World War II to the rugged Australian outback." -- Cover, p.4.

Alice in Wonderland Syndrome Jan Dirk Blom 2019-11-28 The book provides the first state-of-the-art overview of Alice in Wonderland syndrome, an enigmatic neurological condition characterised by perceptual distortions (for example, seeing things as being larger or smaller than they actually are; seeing human faces

change into animal faces; feeling one's body growing larger or smaller; experiencing time as slowing down or speeding up; etc.). It describes the clinical presentation of the syndrome, including its huge variety of symptoms and the variability of its natural course. The book starts out with several vivid case vignettes from the author's clinical practice, and then explains how and why the concept was introduced. In addition, it explains what is currently known about the underlying medical conditions and brain mechanisms, proposes a diagnostic algorithm, and makes recommendations for treatment. Throughout the book, a recurring question is whether or not Charles Dodgson (aka Lewis Carroll) suffered from the symptoms he described so aptly in his famous children's book, *Alice's Adventures in Wonderland*. Accordingly, the book should appeal to anyone interested in the brain and its disorders, as well as readers interested in the life of Lewis Carroll.

Alice in Wonderland Eva Mason 2009 An abridged version of the stories that tell of Alice, who falls down a rabbit hole and steps through a mirror, thereby experiencing unusual adventures with a variety of nonsensical characters.

Alice's Adventures Will Brooker 2004-01-01 The author of "Batman Unmasked" and "Using the Force", turns his attention to Lewis Carroll and Alice taking the reader through a revealing tour of late 20th Century popular culture, following Alice and her creator wherever they go. The result is an in-depth analysis of how one original creation symbolizes different things to different people.

Terug naar het strandhuis Mary Alice Monroe 2020-05-07 Caretta heeft al jaren geen contact meer met haar familie, tot ze een brief ontvangt van haar moeder, waarin ze haar dochter vraagt terug naar huis te komen. De brief komt voor Caretta op het goede moment: ze heeft het gevoel dat ze de controle over haar leven aan het kwijtraken is. Op het eiland waar ze opgroeide voelt ze zich als herboren. Het strand, de zee, haar thuis... Caretta besluit zich te ontfemen over de bedreigde schildpadden van het eiland en zoekt contact met mensen die ze verloren dacht te hebben. Maar haar belangrijkste levensles leert zij door het hernieuwde contact met haar moeder - hoewel liefde altijd offers vraagt...

Intensely Alice Phyllis Reynolds Naylor
2009-06-02 Thinking of simpler times in the past and the happy moments they had together, Pam wishes she could bring the old gang back together, but when a tragic event results in a funeral, the reunion touches all their lives in ways no one could have expected.

Plants in Children's and Young Adult Literature
Melanie Duckworth 2021-11-30 From the forests of the tales of the Brothers Grimm to Enid Blyton's *The Faraway Tree*, from the flowers of Cicely May Barker's fairies to the treehouse in Andy Griffith and Terry Denton's popular *13-Storey Treehouse* series, trees and other plants have been enduring features of stories for children and young adults. Plants act as gateways to other worlds, as liminal spaces, as markers of permanence and change, and as metonyms of childhood and adolescence. This anthology is the first compilation devoted entirely to analysis of the representation of plants in children's and young adult literatures, reflecting the recent surge of interest in cultural plant studies within the environmental humanities. Mapping out and presenting an internationally inclusive view of plant representation in texts for children and young adults, the volume includes contributions examining European, American, Australian, and Asian literatures and contributes to the research fields of ecocriticism, critical plant studies, and the study of children's and young adult literatures.

Alice in Wonderland Lewis Carroll 1965

Raji, Book Three Charley Brindley 2020-12-17
October 1932. At the beginning of the Great Depression, schools and universities all over America were cutting back, and even closing their campuses. Raji and Fuse, like so many other young people, were to be cut adrift. Having concentrated on nothing but academics for the past four years, they weren't prepared for the brutal economic realities of a world sinking into misery and hopelessness.

Het Alice-netwerk Kate Quinn 2018-04-24
Londen, 1947. Charlotte 'Charlie' St. Clair is ongetrouwd en zwanger. Haar moeder neemt haar mee naar Europa om dit 'probleempje' te verhelpen. In plaats van haar zwangerschap te laten beëindigen zoals de bedoeling was, besluit ze haar nicht Rose te gaan zoeken, die tijdens de

oorlog in het door de nazi's bezette Frankrijk is verdwenen. De enige die zou kunnen weten waar ze is, is de mysterieuze Eve Gardiner. Maar Eve, die tijdens de Eerste Wereldoorlog als spion deel uitmaakte van het Alice-netwerk, heeft zo haar eigen geheimen. Zij en de andere vrouwen van het netwerk zijn destijds verraden, en nog steeds wordt ze verteerd door woede. Wanneer Charlie bij haar aanklopt en een naam noemt die ze al heel lang niet meer heeft gehoord, ziet Eve eindelijk een kans om de waarheid te achterhalen. In Het Alice-netwerk komen de levens van twee sterke vrouwen bij elkaar door gebeurtenissen tijdens de Eerste Wereldoorlog in een spannend verhaal over moed, opoffering en verlossing. Over Het Alice-netwerk: 'Een meeslepende mix van historische fictie, spanning en romantiek.' Library journal 'Zenuwslopende gebeurtenissen leiden naar een adembenemende climax. Een geweldige historische roman!' Historical novel society 'Quinn schreef een prachtig boek over een ten onrechte vrijwel vergeten groep: de Engelse, Franse en Belgische vrouwen die in de Eerste Wereldoorlog spioneerden voor de geallieerden en militaire informatie van onschatbare waarde hebben doorgegeven' ★★★★★ VN Thriller- & Detectivegids

Starting with Alice Phyllis Reynolds Naylor
2012-09-04 After she, her older brother, and their father move from Chicago to Maryland, Alice has trouble fitting into her new third grade class, but with the help of some new friends and her own unique outlook, she survives.

The Game Master Trilogy Timothy R. Bartlett
2015-04-02 What do the following four items have in common? A broken arrow, gold bullion, a phantom, and several modern murders. If you're not sure, then you're welcome to follow GM through his next crazy adventure in Artichoke, Washington, USA.

Soms lieg ik Alice Feeney 2018-06-05 Er zijn drie dingen die je over me moet weten: 1. Ik lig in coma 2. Mijn man houdt niet meer van me 3. Soms lieg ik Amber Reynolds ligt in coma. Ze kan zich niet herinneren hoe dat is gebeurd. Maar ze weet dat het geen ongeluk was... Ze heeft het zogeheten locked-in-syndroom: ze hoort alles, maar kan zich niet bewegen en kan niet praten. Doodsbang, opgesloten in haar eigen lichaam, probeert ze haar herinneringen van de afgelopen

week te reconstrueren. Met een echtgenoot die niet meer van haar houdt, een zus met een geheim en een ex die nog steeds door haar geobsedeerd is, weet Amber dat er iemand liegt over wat er met haar gebeurd is. Haar leven is nog steeds in gevaar. Lukt het haar wakker te worden voor het te laat is?

The Matrix and the Alice Books Voicu Mihnea Simandan 2010

Lewis Carroll's Alice's Adventures in Wonderland and Through the Looking-Glass Zoe Jaques 2016-05-06 Emerging in several different versions during the author's lifetime, Lewis Carroll's Alice novels have a publishing history almost as magical and mysterious as the stories themselves. Zoe Jaques and Eugene Giddens offer a detailed and nuanced account of the initial publication of Alice's Adventures in Wonderland and Through the Looking-Glass and investigate how their subsequent transformations through print, illustration, film, song, music videos, and even stamp-cases and biscuit tins affected the reception of these childhood favourites. The authors consider issues related to the orality of the original tale and its impact on subsequent transmission, the differences between the manuscripts and printed editions, and the politics of writing and publishing for children in the 1860s. In addition, they take account of Carroll's own responses to the books' popularity, including his writing of major adaptations and a significant body of meta-textual commentary, and his reactions to the staging of Alice in Wonderland. Attentive to the child reader, how changing notions of childhood identity and needs affected shifting narratives of the story, and the representation of the child's body by various illustrators, the authors also make a significant contribution to childhood studies.

Alice's Book Karina Urbach 2022-05-12 "Unputdownable . . . By telling the story of the brazen theft of a cookbook, and the fate of its title long after the war, Urbach has also retold the tragic Holocaust story in quite unforgettable lines" A.N. Wilson What happened to the books that were too valuable to burn? The story of a Jewish chef whose bestselling cookbook was expropriated under the Nazi regime. Alice Urbach had her own cooking school in Vienna, but in 1938 she was forced to flee to England, like so

many others. Her younger son was imprisoned in Dachau, and her older son, having emigrated to the United States, became an intelligence officer in the struggle against the Nazis. Returning to the ruins of Vienna in the late 1940s, she discovers that her bestselling cookbook has been published under someone else's name. Now, eighty years later, the historian Karina Urbach - Alice's granddaughter - sets out to uncover the truth behind the stolen cookbook, and tells the story of a family torn apart by the Nazi regime, of a woman who, with her unwavering passion for cooking, survived the horror and losses of the Holocaust to begin a new life in America.

Impeccably researched and incredibly moving, Alice's Book sheds light on an untold chapter in the history of Nazi crimes against Jewish authors. "Urbach not only reconstructs individual fates from family correspondence and tape interviews from her grandmother's estate, she also draws on a myriad of archives. [...] The fact that she manages this without sentimentality is an achievement in itself. The facts are moving enough" Frankfurter Allgemeine Zeitung "A remarkable book" Spiegel Translated from the German by Jamie Bulloch

de boeken van de zieners Robin Hobb 2011-11-22 De zeer succesvolle reeks De boeken van de Zieners vestigde de naam van Robin Hobb voorgoed bij het fantasypubliek, wereldwijd. Tegenwoordig behoren de drie boeken tot de moderne klassiekers van het genre.'Moordenaar des konings' FitzChevalric wordt opnieuw blootgesteld aan dodelijke intriges van de koninklijke familie. Met name de jongste prins Regaal ziet hem als ongewenste indringer. Als de prins met zijn mysterieuze coterie slaagt in zijn opzet, zijn Mollie, de Wijsheid en FitzChevalrics wolf Nachtoegen allemaal in groot gevaar.

Alice in Wonderland Collection Lewis Carroll 2016-04-07 Lewis Carroll's Alice in Wonderland books have delighted readers across the globe for over a hundred years. Alice in Wonderland Collection - All Four Books presents the two most famous Alice books - Alice in Wonderland and Alice Through the Looking Glass - as well as the Alice-related fantasy verse The Hunting of the Snark and, for die-hard Alice aficionados, Alice's Adventures Underground, the shorter, original Alice in Wonderland manuscript which Carroll

wrote for his friends and family before they encouraged him to expand the book and send it

to a publisher.

Little Alice's Big Christmas, Book One Linda S. DiFranco
