The Young Lions Irwin Shaw

2013-02-26 One of the great World War II novels, this New York Times–bestselling

“masterpiece” captures the

experiences of three very different soldiers (The Boston

Globe). Standing alongside

Norman Mailer's *The Naked*

and the Dead and James

Jones's *From Here to Eternity*,

The Young Lions is one of the

most powerful American novels

to tackle the Second World

War. Ambitious in its scope and

robust in its prose, Irwin Shaw's

work is also deeply humanistic,

presenting the reality of war as seen through the eyes of ordinary soldiers on both sides. The story follows the individual dramas—and ultimately intertwined destinies—of Christian Diestl, a Nazi sergeant; Noah Ackerman, a Jewish American infantryman; and Michael Whitacre, an idealistic urbanite from the New York theatrical world. Diestl first appears as a dashing ski instructor in Austria, mouthing his loyalty to Nazi ideals. As the war progresses, Diestl's character continues to erode as he descends into savagery. Ackerman must endure domestic anti-Semitism and beatings in boot camp before

proving himself in the European theater. Eventually, as part of the liberating army, he comes face-to-face with the unimaginable horrors of the death camps. Whitacre, trading cocktail parties for Molotov cocktails, confronts the barbarism of war, and in fighting simply to survive, finds his own capacity for heroism. Shaw's sweeping narrative is at once vivid, exciting, and brutally realistic as well as poignant in its portrayal of the moral devastation and institutional insanity of war. Penned by a master storyteller at the height of his craft, *The Young Lions* stands the test of time as a classic novel of war and the

human experience. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author's estate.

The American Jewish Story Through Cinema Eric A.

Goldman 2013-04-15 Like the haggadah, the traditional "telling" of the story of the Israelites' exodus from Egypt that is read at the Passover seder, cinema offers a valuable text from which to gain an understanding of the social, political, and cultural realities of Jews in America. In an industry strongly influenced by Jewish filmmakers who made and

continue to make the decisions as to which films are produced, the complex and evolving nature of the American Jewish condition has had considerable impact on American cinema and, in particular, on how Jews are reflected on the screen. This groundbreaking study analyzes select mainstream films from the beginning of the sound era to today to provide an understanding of the American Jewish experience over the last century. In the first half of the twentieth century, Hollywood's movie moguls, most of whom were Jewish, shied away from asserting a Jewish image on the screen for fear that they might be too

closely identified with that representation. Over the next two decades, Jewish moviemakers became more comfortable with the concept of a Jewish hero and with an overpowered, yet heroic, Israel. In time, the Holocaust assumed center stage as the single event with the greatest effect on American Jewish identity. Recently, as American Jewish screenwriters, directors, and producers have become increasingly comfortable with their heritage, we are seeing an unprecedented number of movies that spotlight Jewish protagonists, experiences, and challenges.

meal. The Strands have no clue that the man they are helping is Russell Hazen, a powerful and wealthy Wall Street lawyer. In his gratitude, Hazen offers gifts, vacations, networking opportunities—even plastic surgery. Evening in Byzantium Irwin Shaw 2013-02-26 One of Irwin Shaw’s most unforgettable heroes battles to resurrect his declining career against a tough cast of women, whiskey, and old memories Jesse Crain was made for Cannes. Beneath his polished exterior, though, Crain’s life is coming

apart at the seams. His last two films flopped, and for several years he's been adrift. Now desperate to reignite his career, a hit at any price feels like his only salvation. Shaw 2013-04-16 #1 New York Times—bestselling author: On a lazy afternoon in 1964, a Jewish WWII veteran watches his son’s baseball game, and reflects on his past. Benjamin Federov has lived a thoroughly American life. The son of immigrants, husband to a lovely wife, and father to two healthy sons, he is successful in business, and blessed with good health. During a lazy 1964 summer afternoon at his son’s baseball game, Ben reminisces on the triumphs and failures of his past fifty years. He recalls the comedy of his youth and the horrors of World War II, his alienation as a second-generation child in America and

the tenderness of his first love. Insightful and evocative, *Voices of a Summer Day* is an enchanting story about a man's life and an unforgettable look at the power of memory. Trinity of Passion Alan M. Wald
2011-04-01 The second of three volumes by Alan Wald that track the political and personal lives of several generations of U.S. left-wing writers, *Trinity of Passion* carries forward the chronicle launched in *Exiles from a Future Time: The Forging of the Mid-Twentieth-*

Century Literary Left. In this volume Wald delves into literary, emotional, and ideological trajectories of radical cultural workers in the era when the International Brigades fought in the Spanish Civil War (1936-39) and the United States battled in World War II (1941-45). Probing in rich and haunting detail the controversial impact of the Popular Front on literary culture, he explores the ethical and aesthetic challenges that pro-Communist writers faced. Wald presents a cross section of literary talent, from the famous to the forgotten, the major to the minor. The writers examined include Len Zinberg (a.k.a. Ed Lacy), John Oliver

Killens, Irwin Shaw, Albert
Maltz, Ann Petry, Chester
Himes, Henry Roth, Lauren
Gilfillan, Ruth McKenney, Morris
U. Schappes, and Jo Sinclair.
He also uncovers dramatic new
information about Arthur Miller's
complex commitment to the
Left. Confronting heartfelt
questions about Jewish
masculinity, racism at the core
of liberal democracy, the
corrosion of utopian dreams,
and the thorny interaction
between antifascism and
Communism, Wald re-creates
the intellectual and cultural
landscape of a remarkable era.

Short Stories Irwin Shaw

2013-02-26 A wide-ranging fictional portrait of life in postwar America by an acclaimed New Yorker short story writer and #1 New York Times–bestselling novelist. Irwin Shaw was a star of the New Yorker’s fiction pages in the 1930s and ’40s. His prose helped shape the landscape of post-war fiction, and his work drew from a remarkable life that spanned from American football fields to European battlefields, Broadway to Hollywood, Depression-era saloons to the

McCarthy hearings. Among these sixty-three stories are iconic works such as “The Eighty-Yard Run,” a tale of an American dream crippled on Black Monday, and “Main Currents in American Thought,” in which a hack radio copywriter is tormented by the glitz of show business. Through the decades, Shaw’s writing—as demonstrated in these pages—maintains the clear-eyed moral purpose, rich in wit and startling insight, of a tough kid with a philosopher’s soul. In the Company of Dolphins

Irwin Shaw 2016-08-16

Bestselling author Irwin Shaw’s lighthearted travelogue follows his family’s vacation sailing from St. Tropez to Venice in the 1960s. As a boy, Irwin Shaw stared out across Brooklyn’s

Sheephead Bay and dreamed of owning a boat and sailing the oceans wide. Decades later, he determined that chartering a yacht was better than having no boat at all. With his wife and son, Shaw then set out to mosey about the Mediterranean, guided by a Scottish captain, his wife and daughter, and a Greek cabin boy. From St. Tropez to Naples, and across the Adriatic to Dubrovnik and up to Venice, it was the trip of a lifetime, its only fault being that, eventually, it would have to end. Written in 1964, this travel memoir is a portrait of a bygone age, when the sun-soaked Mediterranean was still emerging from the

shadow of World War II and “vacation” truly meant detaching oneself from the world. Featuring cameos by legendary authors such as Françoise Sagan and James Jones, this endearing memoir is the next best thing to a Mediterranean cruise.

The Troubled Air Irwin Shaw
2013-04-16 New York Times

Bestseller: A provocative novel about one man's struggle with courage and his conscience at the height of McCarthyism. Clement Archer, head of a popular radio show, faces a profound dilemma: Five of his employees stand accused of being communists, and a magazine threatens disclosure unless Archer fires each and every one. Despite his efforts to meet his own moral standards and avoid self-incrimination, Archer finds himself hounded from both ends of the political spectrum for his seemingly righteous actions. *The Troubled Air*, Irwin Shaw's second novel, was published immediately before the author moved to

Europe, where he lived for the next twenty-five years. The story remains a powerful portrayal of a good, decent man ensnared by the hysteria and cruelty of a dark period in American history. This ebook features an illustrated biography of Irwin Shaw including rare images and never-before-seen documents from the author's estate.

Rich Man, Poor Man Irwin Shaw
2002-04-04 *RICH MAN, POOR MAN* tells the story of Rudolph, Gretchen and Tom, the children of an embittered, impoverished German baker, growing up in a small town near New York City as World War II is drawing to a close. These three are seen over a period of twenty-four years in scenes after brilliant scenes which build up into a revelation of twentieth-century American life: the mobility, the quick encounters, the big deals,

the myth-making. Ranging from Manhattan in the effervescent post-war years, to Hollywood, bathed in uncertain sunshine, and to the deceptive peace of the Mediterranean coast, *RICH MAN, POOR MAN* is at once a triumphant study of character and a truly epic novel of America.

Lucy Crown Irwin Shaw
2013-04-16 A *New York Times* bestseller from an author with “a natural gift for storytelling”: A mother and son are reunited years after a shattering betrayal (*The New York Times*). She passes through the Paris restaurant, alone, unbent, and unbroken. Lucy Crown has lived with heartbreak for long enough

that it no longer shows on her face, and she's not afraid to dine in solitude. But then she sees him across the bar, full of liquor and life, looking far happier than he did the last time she saw him two decades before: Tony, her son—the one man she loved more than any other, the one she nearly destroyed. Twenty years earlier, in 1937, Lucy was an unhappily married suburban housewife, and Tony was so frail his parents were forced to hire a companion for him. When the companion caught Lucy's eye, he awoke in her a feeling of passion she thought had died long ago—leading to an act of

indiscretion during a vacation in Vermont that would upend their family, and take half a lifetime to repair. From the author of such classics as Rich Man, Poor Man and The Young Lions—an O. Henry Award winner who “always writes immensely readable books”—Lucy Crown is an unflinching look at the emotional reality of infidelity, heartbreak, and divorce that remains a testament to the power of forgiveness (The New York Times).
